STATEMENT OF NEED
Cardiovascular disease remains the number one cause of death of men and women in the United States, and is a major cause of disability. The American Heart Association has a stated goal to reduce deaths from cardiovascular disease and stroke by 20% by 2020. In order to achieve this goal physicians and clinicians must gain the knowledge, skill and resources to integrate the latest research and clinical guidelines in the context of their own practice.

At ESCAPE attendees will hear nationally renowned speakers discuss four prevention focused areas relative to cardiologists and practicing physicians and clinicians: Contemporary in Prevention, Hot Topics in CV Prevention, Practical Prevention, and Prevention Populism. There will also be lectures on electrophysiology, interventional cardiology, peripheral vascular disease and congestive heart failure.

This conference will close the knowledge gaps between national guideline goals, practice, and research. Physicians and clinicians will have the opportunity to discuss with the speakers and other attendees how these principles can be applied to patient care in the context of their own practice in order to decrease cardiovascular disease risk.

CORE COMPETENCIES
Patient Care and Medical Knowledge

OBJECTIVES
At the conclusion of this activity participants will be able to:

- Discuss the most recent trials for hypertension
- Describe the use of PCSK9 Inhibitors
- Identify indicators to use aspirin for primary prevention of CAD
- Describe how inflammatory diseases put patients at risk for CAD
- Discuss how and when to screen patients for cardiac artery disease
- Describe the various imaging modalities to risk stratify for CAD
- Summarize the trends in CV mortality and what can be done
- Recall the benefits of cardiac rehab
- Explain the CV risk of chronic use of anti-inflammatory medication
- Express how to manage statin intolerance
- Develop a plan to reduce heart failure readmissions
- Describe risk and prevention of CVA for patients with eGFR
- Explain how to reduce CV risks of sleep apnea
- Analyze the pitfalls of guideline driven decision making
- Define the role of palliative care in the heart failure team
- Give examples of how to treat women with stable heart disease
- Describe how to minimize risk of post PCI bleeding

WHO SHOULD ATTEND
Cardiologists, general internists, family practice providers, internal medicine subspecialists, pharmacists, physician assistants, nurse practitioners and other primary healthcare providers.

SPONSORSHIP AND ACCREDITATION
The program is sponsored by the Emory University School of Medicine. The Emory University School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

TUITION
The tuition ($715 Physicians) & ($595 Other Healthcare Professionals) includes refreshment breaks, electronic course syllabus, and other amenities involved in a rewarding learning experience. Platinum and museum enrollments have been established.

Cancellation prior to April 30, 2017 will be refunded less a $75 administrative fee. There is no refund after April 30, 2017.

CONTINUING EDUCATION CREDITS
The Emory University School of Medicine designs this live activity for a maximum of 19.75 AMA PRA Category 1 Credits™. Physicians should only claim credits commensurate with the extent of their participation in the activity.

MAINTENANCE OF CERTIFICATION (MOC)
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 19.75 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amounts of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

EVENTS AND ATTIRE
Attire for the symposium is business casual and comfortable. Since meeting room temperatures and personal comfort levels vary—please bring a sweater or jacket to the educational sessions. Attire for the Family Social on Friday, June 2 is casual.

WEDNESDAY, May 31 from 4:30-6:30 pm - Pre Meeting Workshops
THURSDAY, June 1 from 5:45 - 7 pm - Attire: Optional Business Casual
Spouses are invited to participate in this session. Children’s Program: If you have children 3 years and above, we will provide supervised activities and snacks in an adjacent room.

FRIDAY, June 2 from 6-8 pm - Family Social and Cocktail
This is an evening cocktail and social that will take place under the stars and your spouse, children and guests will attend (the conference fee covers up to 4 people plus children ages 3 years and under. Additional fees apply for extra guests – see the registration form for details). Children will be entertained with games and a clown. Please review your attendance on the registration form.

CONFERENCE LOCATION AND LODGING
The conference will be held at Omni Amelia Island Plantation, 39 Beach Lagoon, Amelia Island Florida 32034. Room reservations may be made by calling 1-800- THE-OMNI. Emory University School of Medicine has secured a block of Oceanfront rooms at the Omni Amelia Island Plantation for the group rate of $292 (plus applicable taxes) per night, single or double occupancy. These rates will be honored three days prior to and three days following the meeting, based on guest room availability. See all ESCAPE special rates below.

The resort has a 30% (plus applicable taxes) per room deposit fee per night. This fee includes: Complimentary self-parking, unlimited internet access in all accommodations, complimentary resort transportation service, unlimited use of Health & Fitness Center; in-room coffee service, local & toll free phone access, resort beach access, Preferred Racquet Club and Golf Course reservation access. Early checkout fees may apply if you check out is prior to your reserved check out date.

To receive the discounted room rate, please indicate you are attending the ESCAPE conference when making your reservation. Reservations should be made as soon as possible, but no later than May 7, 2017. It is highly recommended you make your reservations as soon as possible, as this rate is available through May 4 or until the block is sold out, whichever comes first. After this date, reservations will be made on space available basis.

For more information about the Omni Amelia Island Plantation, you may call (904) 261-6161 or visit the Omni Amelia Island Plantation website at http://www.omnihotels.com/ameliaisland

ROUND TRIP TRANSPORTATION
Round trip transportation is available between the Jacksonville International Airport and Omni Amelia Island Plantation (39 miles). For this complimentary transportation, reservations please call Protelinc at (904) 714-1277. The rate is $75 per vehicle, one-way (tax not included). Advance reservations required.

FRIDAY, JUNE 2, 2017 (CONTINUED)

12:00
ADJOURNMENT

12:10 – 12:45
OPTIONAL LUNCHEONS: ROUNDTABLE DISCUSSIONS. IDENTIFICATION AND MANAGEMENT OF EMOTIONAL DISTRESS IN CORONARY CURE.
Peter Wilson, MD, Jennifer Mahloub, NP, Laurence Spragin, PhD, Pratik Sondhi, MD (Katz Preventive Cardiology Fellowship)

7:30 PM
SIGN-OUT, BREAKFAST AND EXHIBITS

7:45 PM
PREVENTION OF CARDIAC DEATH IN HIGH RISK GROUPS – Michael El-Chami, MD

7:50 PM
VITAMIN D AND CVD: MYTH OR MAKING A DIFFERENCE? – Arshed Qyyumi, MD

8:00 PM
APPROACH TO WOMEN WITH STABLE ISCHEMIC HEART DISEASE – Pujah Mehra, MD

8:40 PM
PALLIATIVE CARE AS AN INTEGRAL PART OF HEART CARE – Divya Gupta, MD

8:50 PM
ADJOURNMENT

9:00 PM
ESTIMATING CV RISK: GUIDELINES AND THE FUTURE – Tanveer Rab, MD

9:10 PM
SYSTEMS AND SOLUTIONS FOR GUEST PAIN AND TROPONEMIA IN THE ER – Tanner Rab, MD

9:20 PM
STROKE PREVENTION IN ATRIAL FIBRILLATION – Michael El-Chami, MD

9:30 PM
SLEEP APNEA AND CV RISK: PREVENTABLE PREDICAMENT? – Ijeoma Isiadinso, MD

9:40 PM
PREVENTION OF CARDIAC DEATH IN HIGH RISK GROUPS – Michael El-Chami, MD

10:00 PM
PREVENTABLE PREDICAMENT? – Ijeoma Isiadinso, MD

10:10 PM
ADJOURNMENT

10:20 PM
PREVENTION OF POST-PCI BLEEDING: DO WE NEED A PIONEER? – Tanveer Rab, MD, PC

10:45 PM
FACULTY

10:50 PM
SHOULD CARDIOLOGISTS FOLLOW THE LEADER? – Arshed Qyyumi, MD

11:10 PM
PUBLICATION AND MANAGEMENT OF CORONARY ARTERY DISEASE – Tanner Rab, MD

11:30 PM
PANEL DISCUSSION & Q&A

11:45 PM
