

## Join the Emory Women's Heart Center in the fight against heart disease in women during Heart Month!

Come enjoy this fun, educational event where you can meet the Emory Women's Heart Center physicians, nurses and care team, learn how to prevent heart disease and find out if you are at risk. Healthy refreshments will be provided. The event will also feature a vendor expo with demonstrations of products and services that will be available for purchase.

*Don't forget to purchase your Emory Women's Heart Center shirt for \$15.*
