Please join us for the 10th annual Department of Medicine Research Day to celebrate our research efforts. This event will bring together researchers from all divisions and will provide an opportunity to share exciting new findings, facilitate scientific exchange, and identify potential new collaborations. All members of the department—including postdoctoral fellows, residents, and students—are encouraged to attend.

Keynote Speaker: Suzanne Oparil, MD
Distinguished Professor of Medicine
Professor of Cell, Developmental & Integrative Biology
Director, Vascular Biology & Hypertension Program
University of Alabama at Birmingham
